PROPOSAL  
(BID FORM)

TO: President and Board of Directors, Harris County W.C. & I. D. No. 136, for Proposed Water Plant Improvements (Ground Storage Tank with Associated Yard Piping and Drainage Improvements, LEI Job No. 113-050, Contract No. 2, in Harris County, Texas.

The undersigned, as Bidder, declares that the only person or parties interested in this proposal as principals are those named herein; that this proposal is made without collusion with any other person, firm, or corporation; that the undersigned has carefully examined the Invitation to Bidders, the Instructions to Bidders, this Proposal, the Form of Agreement, the General and Special Conditions, Special Provisions, the Technical Specifications, and the Plans therein referred to; that the undersigned has carefully examined the locations, conditions, and classes of materials of the proposed work; that the undersigned agrees to provide all the necessary labor, machinery, tools, apparatus, and other items incidental to construction; and that the undersigned will do all work and furnish all the materials called for in the Contract and Specifications in the manner prescribed therein and according to the requirements of the Engineer as therein set forth.

It is understood that the following quantities of work to be done at unit prices are approximate only, and are intended principally to serve as a guide in evaluating bids. It is further understood that all work which is subsidiary to the Bid Item, and for which there is no specific pay item, shall be complete in place and is included in the unit price Bid Items shown on this Proposal.

It is further agreed that the quantities of work to be done at unit prices and the quantities of materials to be furnished may be increased or diminished as may be considered necessary, in the opinion of the Engineer, to complete the work fully as planned and contemplated, and that all quantities of work, whether increased or decreased, are to be performed at the unit prices set forth below except as provided for in the Specifications.

It is further agreed that Lump Sum prices may be increased to cover additional work ordered by the Engineer, but not shown on the Plans or required by the Specifications, in accordance with the provisions of the General Conditions. Similarly, they may be decreased to cover deletion of work so ordered.

It is understood and agreed that the work is to be completed in full within 170 calendar days after the date stated in the work order on which work is to be commenced, as stated in the "Standard Form of Agreement Between OWNER and Contractor."

Accompanying this Proposal is a Cashier's Check payable to the OWNER for \_\_\_\_\_ Dollars (\$ \_\_\_\_\_).

The Bid Security accompanying this PROPOSAL shall be returned to the Bidder, unless in case of the OWNER's acceptance of the PROPOSAL the Bidder shall fail to execute a Contract and file a Performance Bond, a Payment Bond, a One Year Maintenance Bond if required, and insurance certificate within the time period specified in **Section II, Instructions to Bidders**, in which case the bid security shall become the property of the OWNER, and shall be considered as payment for damages due to delay and other inconveniences suffered by the OWNER on account of such failure of the Bidder. It is further agreed that should OWNER bring suit in court to enforce any terms of this bid it is agreed that the Bidder or his surety shall pay to the OWNER his cost and reasonable attorney's fees. It is understood that the OWNER reserves the right to reject any and all bids.

In the event of the award of a Contract to the undersigned, the undersigned will furnish a Performance Bond for the full amount of the Contract, to secure proper compliance with the terms and provisions of the Contract, to insure and guarantee the work until final completion and acceptance; a Maintenance Bond to insure and guarantee work through the warranty period; and Payment Bond for the full amount of the Contract to guarantee payment of all lawful claims for labor performed and materials furnished in the fulfillment of the Contract.

The work proposed to be done shall be accepted when fully completed and finished in accordance with the Plans and Specifications to the satisfaction of the Engineer.

The undersigned certifies that the bid prices contained in this Proposal have been carefully checked and are submitted as correct and final.
